Why PayPal?

Convenient ♦ Secure ♦ Easy to Use

PayPal has quickly become a global leader in online payment solutions with 96.2 million account members worldwide.

Founded in 1998, PayPal, an eBay Company, enables any individual or business with an email address to securely, easily and quickly send and receive payments online. Its service builds on the existing financial infrastructure of bank accounts and credit cards and utilizes the world's most advanced proprietary fraud prevention systems to create a safe, global, real-time payment solution.

PayPal protects sensitive information using state-of-the-art encryption, so your data is not available to anyone. It uses industry recognized AVS and CVV2 checks to thwart identity theft, with an industry-leading loss rate of less than 0.5%.

Special Thanks!

TFI would like to say, **“Thank You!”** to all the Graduates who have given their financial support to the House Corporation. Your contribution makes our continued success possible!

Why Donate?

♦ **Foundations for the Future:** Your monthly donations will help lay the foundation to form a capital campaign committee and successfully launch a campaign. There are many costly operations associated with capital campaigns; needs assessments, feasibility studies, hiring an alumni programming/fundraising consulting firm, architectural plans, and campaign marketing materials are just a few examples of the necessary costs accrued before launching a successful campaign. So, while these monthly donations will not directly allow us to build a new house, portions of your donations will be earmarked for campaign expenses. This will help ensure that our capital campaign committee will have the funds to move forward with all due diligence.

♦ **For the Betterment of the Chapter:** a secondary goal of the Online Donation Programs is to support the Chapter's Graduate Relations efforts. The extreme growth in our Graduate base places and will continue to increase the financial burden on the Chapter to maintain, much less exceed, the current level of Graduate Relations initiatives. The ability to “raise the bar” in the area of Graduate Relations and Graduate support is paramount to both the Chapter's goal of one day winning the coveted “Cheney Cup” and TFI's goal of one day providing them a new chapter house.

♦ **Benefits for Donors:** Beyond the knowledge that you are “giving back” to the organization that gave so much to you during your college years, you will receive other rewards as well. Currently, donors receive gift certificates redeemable at Pig Dinner weekends. We are also exploring a variety of other ways to recognize online donation Club members. Some of the possibilities include; donor lists on the website and in the GEF (with your permission), and Club affinity items.
